THE UNIVERSAL CAR

The Ford Model T One Ton Truck with its manganese bronze worm-drive is really a necessity for the farmer because it solves his problem of economic transportation from the farm to the city. And in farm work alone, it will be found a great money saver as well as a big labor saver. Has all the merits of the Ford car multiplied by greater capacity with greater strength. No extra cost in operation. We'd like to talk it over with every farmer. Bring your Ford car to us for necessary repairs and thus get the genuine Ford parts and reliable Ford workmanship.

The "Rosy-Cheeks" Bread

Pan-Dandy is more than mere bread. It is one of the most nourishing and healthful of foods.

For Pan-Dandy is made of selected wheat flour, with milk which must show on scientific test at least three and one-half per cent. of butter fat.

Pan-Dandy Bread

And Pan-Dandy tastes as good as it is. Try it and see.

Pan-Dandy is the regular loaf. Big-Dandy is his brother—over twice as big.
At all grocers—insist on seeing the label.
